## Family time

**Talk** Look at John 14.1-14 together and talk about what the room Jesus makes ready for you might be like.

**Do** Go into each room of your house, talk about what you do there and how Jesus can be involved in those aspects of your life together.

**Pray** As a family, join in this 'Breath prayer': as you breathe in, silently say, 'Jesus thank you...', as you breathe out, silently say, '...that you are always with me.'

## Puzzle

Use your finger or a pencil to follow a path through the labyrinth. Jesus says he'll be with us whether we're lost or get to the other end easily.
